

# Fifth Dimension For a Truly Magical Wedding Day

Provide your guests with a magical experience to help them relax and mix with each other.

Our award winning Close-up Magic brings fun and laughter to the reception venue while the bride and groom's photographs are being taken.

During the wedding breakfast the magic can continue to flow through the room from table to table.

Or start the evening off with a short cabaret that the whole family will enjoy.

Give us a call for further information and to discuss ideas to make your big day truly magical.
